Car rental income is taxable, and the car owner can also deduct expenses related to the rental activity. This in-depth article covers the basics then digs into technical details.

Tax Treatment of Car Rental Income in the United States

The common term for the reduction from 100% liability down to the Excess is Loss Damage Waiver. Regardless of what they call excess, this is simply the reduction of your liability from the full amount of damage (the rental car and the car you ran into) down to the limit on the rental agreement providing you meet the terms of the agreement.
