The London market is the largest global hub for commercial and specialty risk, employing over 48,000 people, and paying more than £140bn in claims in the last five years.

Our Case Studies - Xchanging plc

Case studies can demonstrate how inclusive design can foster innovation and improve design. In particular, the following case studies were chosen to show how inclusive design can be put into practice effectively in a commercial context, combining inclusivity with style, and producing products that are both comfortable and effective.
