The EASA type rating and licence endorsement lists indicate whether an OSD FC document for a relevant aircraft exists. OSD FC documents are certification documents which are held and maintained by TC/STC Holder and are subject to Annex I to Commission Regulation No 748/2012 (Part-21) provisions.

Regulations | EASA

I have a dataset called spam which contains 58 columns and approximately 3500 rows of data related to spam messages. I plan on running some linear regression on this dataset in the future, but I'd like to do some pre-processing beforehand and standardize the columns to have zero mean and unit variance.

normalization - Standardize data columns in R - Stack Overflow
