Renaissance music is vocal and instrumental music written and performed in Europe during the Renaissance era. Consensus among music historians has been to start the era around 1400, with the end of the medieval era, and to close it around 1600, with the beginning of the Baroque period, therefore commencing the musical Renaissance about a ...

A musical transcription is musical notation for an existing piece of music that had been previously unnotated. Musicians often disagree about what should be called a "transcription" and what is an "arrangement". Usually transcriptions are a direct notation of the source, whereas a musician who makes an arrangement may insert new ...
