nation state and violence by anthony giddens

The issue of the relations between the state and the nation is one of the most significant ones in the nation definition. According to Gellner, Hobsbawm, and Anderson, a "state" is practically a synonym of the nation and simultaneously the main objective and aspiration of the nationalists; the state is the basis of a nation and an ...

Laitin, David D. Nations, States, and Violence. Oxford and New York: Oxford University Press, 2007.

1 David D. Laitin's latest book is a must-read for scholars interested in a succinct evaluation of the status of ethnicity and nationalism, as well as their connection to civil conflict " or more accurately, the lack of a connection.

David D. Laitin. Nations, States, and Violence . | Payne ...

nation state is a state whose primary loyalty is to a cultural self-identity, which we call a nation or nationality, and is now the predominant form of state organisation. Nation states possess sovereignty and legitimacy. The significance of the nation state is that, once consolidated around a particular nationality, it is a stable form of state organisation. It is the sole form in which the ...
